INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Horizons Atlanta  
Atlanta, Georgia

We have audited the accompanying financial statements of Horizons Atlanta (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material aspects, the financial position of Horizons Atlanta, as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HORIZONS ATLANTA  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018

**1. ORGANIZATION**

Horizons Atlanta invites students to attend a six-week summer learning program on the campuses of independent schools, colleges or universities, and receive additional support throughout the year. Horizons Atlanta believes that every child in Atlanta, regardless of background, should have the same chance at making a positive impact on his or her community. The organization provides this opportunity by eliminating the critical barriers to success that many children face, thus putting them on a path to: read proficiently by the end of third grade; graduate from high school; receive higher education; and become globally competitive professionals.

The organization's support comes primarily from individual donors' contributions, public funding, and corporate and foundation gifts.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Horizons Atlanta classifies its net assets and revenues and expenses, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Horizons Atlanta and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of Horizons Atlanta's management and the board of directors.

*Board designated* – Assets designated by the Board to be held for endowment or other specified purposes. The Board can elect to remove these designations in the future.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors, and grantors. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

HORIZONS ATLANTA  
NOTES TO FINANCIAL STATEMENTS – Continued

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**

Basis of accounting (continued)

Revenues are reported as increases in net assets without donor restrictions unless the use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are reported.

Cash and cash equivalents

Horizons Atlanta considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. Horizons Atlanta did not have any cash equivalents for years ended December 31, 2019 and 2018.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. The prior year balance is donated stock. These investments are measured at level 1 of the fair value hierarchy established by Accounting Standards Codification 820, Fair Value Measurements, for financial assets and liabilities. Level 1 investments have quoted prices in active markets for identical assets or liabilities.

Equipment

Equipment is capitalized at cost. It is Horizons Atlanta's policy to capitalize expenditures for these items in excess of \$2,500. Lesser amounts are generally expensed. Equipment is being depreciated over estimated useful lives of five years using a straight-line method.

Contributions and grants receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Discount amortization is included in contribution revenue. Conditional promises to give are not included as support until the conditions are met.

Discount rates of 3.5% and 2.5% were used for discounting long-term promises to give balances as of December 31, 2019 and 2018, respectively. The total discounts as of December 31, 2019 and 2018 were \$2,907 and \$7,454, respectively.

HORIZONS ATLANTA  
NOTES TO FINANCIAL STATEMENTS – Continued

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued**

Estimates

Management makes estimates and assumptions related to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare the financial statements in conformity with GAAP. Actual results could differ from these estimates.

Income taxes

Horizons Atlanta qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is only subject to federal or state income taxes on specific types of income from activities that are unrelated to its exempt purpose. Horizons Atlanta had no income from unrelated activities and has no income taxes due as of December 31, 2019 and 2018.

Horizons Atlanta's application of ASC 740 regarding uncertain tax positions had no effect on its financial position as management believes it has no material unrecognized income tax benefits, including any potential risk of loss of its not-for-profit tax status. Horizons Atlanta would account for any potential interest or penalties related to possible future liabilities for unrecognized income tax benefits as income tax expense. Horizons Atlanta is no longer subject to examination by federal, state or local tax authorities for periods before 2016.

Allocation of functional expenses

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of Horizons Atlanta. Those expenses including salaries and wages, payroll taxes, employee benefits, office expenses, professional fees, professional development, postage, printing, insurance and depreciation, which are allocated on the basis of estimates of time and effort.

Reclassifications

Certain reclassifications have been made to the prior year's financial statements to conform them to the current year's presentation.

Subsequent events

Subsequent events have been evaluated through April 27, 2020, which is the date the financial statements were available to be issued.

**10. CONCENTRATION OF RISK**

At certain times during the years, Horizons Atlanta had funds in excess of federally insured deposit limits on deposit with federally insured financial institutions. However, management does not believe that this creates any undue risk for Horizons Atlanta.
